Declaration to customers on Regulation (EC) No. 1907/2006 (REACH)

Dear Madam or Sir,

Following the requirement of Article 33 of REGULATION (EC) No 1907/2006(REACH), in the attached list you can find all such battery products containing candidate substances of very high concern at a concentration exceeding 0,1% (w/w) as informed by our related factories and their suppliers by Begin December 2014.

Panasonic provides this information based on best available information, while permanently continuing its investigations related to the SVHC contents. Should such investigation show that any further products and/or packaging contain substances from the latest Candidate List at a concentration exceeding 0,1% (w/w) we will provide you with such information as soon as possible.

Please do not hesitate to contact us for further information.

Yours sincerely
